

June 14, 2013

Dear Dr Schore,

It is my great pleasure to inform you that, on behalf of the American Psychological Association Division 56-Trauma Psychology, you have been chosen as our recipient of the **Award for Outstanding Contributions to Practice in Trauma Psychology** for 2013. You were nominated by a colleague who outlined your vast contributions to the field. My warmest congratulations on this well-deserved honor!

The Awards Ceremony will be held as part of the Trauma Psychology Division Social Hour at the APA Annual Convention in Hawaii. The Social Hour and Awards Ceremony will take place on Friday, August 2, 2013 at the Hilton Hawaiian Village Beach Resort, South Pacific Ballroom III, Mezzanine-Mid-Pacific Conference Center. We very much hope you will be able to attend the ceremony and receive the award in person; however, if that is not possible, please let me know so we that can make alternate arrangements.

The inscription on the plaque will be made out to "Allan Schore, Ph.D." Please confirm that this is correct, or alternatively, email me **as soon as possible** with any and all corrections.

Please also send me, by June 25th or sooner if possible, a *very brief* updated narrative about yourself and your work, as well as a headshot. The information and photo will be used by our Committee to write up the citation accompanying the award and also be featured in our Trauma Psychology Fall Newsletter. I need to submit information to the Monitor by the end of that week as well.

Thank you and congratulations once again.

Sincerely,

Elana Newman, Ph.D.
Chair - Awards Committee
